RE: REPORT No. PC2022-05: MSTU Dunnellon Oaks Road Improvements Petition Count

The MSTU Department mailed petitions to 90 property owners of Dunnellon Oaks. Internal Audit confirmed the timely responses of 59 property owners. We concluded that **a majority** of the timely responding property owners voted **not in favor** of the road assessment project.

Per BCC Policy No. 20-01, the Internal Audit Department completed the tabulation process to “measure the initial support for the proposed project.” We maintained security and confidentiality of the petitions received until the time of opening on 10/25/2022.

We note an unusual circumstance involving this petition count. Four (4) timely postmarked responses were delivered to our Post Office Box after the original tabulation date. Once their eligibilities were confirmed, we included the four additional responses to the tabulation and reflected the result in this report.

The tabulation process was performed by Lucy Alonso and Craig L. Faniel.
