

IN THE CIRCUIT COURT OF THE 5TH JUDICIAL CIRCUIT,
IN AND FOR MARION COUNTY, FLORIDA

CASE NO. 24CA000124AX

IN RE:

GULF PINE CLOSING, LLC,

Petitioner,
_____ /

AGREED ORDER SEALING COURT DOCUMENT AND ORDER SEALING DOCUMENT

THIS CAUSE came before this Court on Petitioner's request for an order sealing one of more documents in the court file. The general nature of the document is the Final Order Approving Transfer of Structured Settlement Payment Rights, which is being contemporaneously signed by this Court. The Court finds that the Final Order should be sealed because confidentiality is required in order to (a) avoid substantial injury to innocent third parties; and (b) comply with established public policy set forth in the Florida or United States Constitution or statutes or Florida rules or case law, particularly Fla. Stat. § 119.0714(l), and that no less restrictive measures are available to protect the interest set forth above.

The Final Order shall be sealed, and this Order shall be affixed to a sealed envelope containing the document sought to be sealed, and **the sealed document(s) may not be viewed without an order of the court**, except that counsel of record may view or otherwise obtain the document without a court order. In addition, the Clerk of Court shall promptly email a copy of the sealed Final Order to Petitioner's counsel, Robin I. Frank, Esq., at RIF@PBL-Law.com.

DONE AND ORDERED in Marion County, Florida this 26th day of February 2024.
